# LONGSUPPLY

YOUR SOURCE FOR HVAC SHEET METAL SUPPLIES

## OUR VENDOR PARTNERS

## ABOUT LONG SUPPLY, INC.

Long Supply Inc is a family owned company which prides itself on providing exceptional customer service. A leader in commercial and residential HVAC sheet metal products and accessories. At Long Supply, we strive to offer products to meet our customers needs. We have partnered with some of the leading manufacturers in the HVAC commercial market. At Long Supply, the contractor is not just another customer but rather a partner.

Jason Long, Owner and President of Long Supply has 25+ years of experience in the wholesale distribution industry. Long Supply Inc was founded in 2011 after acquiring the first sheet metal supplier founded in 1961 in Aurora called Stroger Metals. The company has continued its growth thru acquisition by acquiring four separate companies in the last 10 years. More growth is planned for the future.

## WHAT CUSTOMERS SAY ABOUT LONG SUPPLY

"Long Supply is in a league of their own. The only thing better than their prices is their top-notch customer service. I constantly ask the world of them, and they deliver each and every time. Honestly, I don't know what I would do without them."

**John Shields**

DCS Mechanical, Project Manager

"Long Supply is very adaptive to our supply chain needs. This is crucial when managing just in time inventory to keep our projects moving forward and stay on schedule! The professionalism that they have displayed throughout our company's partnership has been outstanding."

**Harry Humjak**

The Hill Group, Director of Tools & Logistics

"Jason and the team at Long Supply consistently provide competitive pricing and exceptional service. Any order from us, regardless of size, is handled quickly, efficiently, and accurately. Partnering with Long Supply for the past 9 years has given us the opportunity to respond to the ever changing demands of our market. We look forward to being with Long Supply for a very long time."

**Terry Van Someren**

Air-Rite Heating & Cooling, President
